

Rome, 29 January 2015

To the Superiors of Our Circumscriptions  
and of Our Communities Dependent  
on the General Government

**Object:** Video Contest: *Daughters of St. Paul: 100 Years for the Gospel in the Realm of Communications*

Dearest Sisters,

Attached is the *announcement of a contest* open to all the members of our Institute. Please invite the sisters of your circumscription to participate in it, especially those who are adept in the use of digital technologies.

This contest offers us the chance to revive the gift we have received and above all rediscover the biblical-catechetical dimension of our mission, which has characterized the vocational identity of the Daughters of St. Paul from our beginnings up to today.

It will also be a chance to take advantage of the different skills of our sisters by affording all our circumscriptions the opportunity to use material that could be helpful to us in celebrating our Centenary Year.

We look forward to receiving the fruit of your creativity and inventiveness. Please send your circumscription's contributions to the sisters of SICOM, as requested in the attachment.

Warmest best wishes to all of you. With deep affection,

  
Sr. Anna Maria Parenzan  
Superior General
